

UNITED STATES GOVERNMENT

Memorandum

TO : Contract Review Board

DATE: 10 March 1969

FROM : Chairman, Contract Review Board

SUBJECT: Special Contract & Procurement Branch, OEL/DD/S&T

1. Attached you will find a copy of the study made by the Chairman, Contract Review Board pertaining to the Special Contract & Procurement Branch, OEL/DD/S&T.

2. Inasmuch as the now existing stipulates that " . . . the Board shall from time to time, give the Director of Logistics its views on the overall effectiveness of Agency-wide procurement policies, procedures, and practices and the efficacy of the procurement unit concept, . . ." and "The Board may be requested by the Director of Logistics, Deputy Directors, or higher authority to make observations and comments on the Agency's procurement processes. It shall be constantly aware of the general overall effectiveness of the procurement program and may, from time to time, furnish the Director of Logistics with its observations.", it is felt that this report will be of interest to you.

STAT

3. A report made on the DD/P Contract Management Group, some time ago is also sent to you for your information.

4. In the future, this type of report will be submitted to the Director of Logistics, via the Contract Review Board, who will concur in its content and add further comment if it so desires.
